Company Introduction

M/s Global Textile Networks is a reputed ISO 9001-2008 Certified Textile Sourcing House dealing in Indenting Business of all kinds of Yarn which includes Grey/Dyed Yarn & Fabric, Towels, Bed Sheets Bathrobes and Socks, serving clients since 1995 and have developed good customers and Partners in China, Korea, Portugal, Bangladesh, Turkey, Spain, Italy, Taiwan, Hong Kong, Colombia, Peru, Venezuela, Guatemala Etc. We are regularly selling more than 200 X 40ft fcls/month to these Destinations. In today's world the key to success of any buyer is to identify the country to source the right product at right price. This is where GTN steps in to cater your needs regarding communication, quality and most of all strong sourcing and timely delivery. Our company maintains a constantly high standard of business conduct, ethics and social responsibility. We take pride in the efficiency of what we do and always employ the most effective and latest technology available. Our most important asset is the people who make up our company. We approach quality from a different perspective than only post production quality control. We involve ourselves not only with the quality of the finished product, but also the actions and interactions of departments, materials, and processes involved in the production. This reduces changes on an unacceptable product reaching to our customers and ensures that goods are manufactured in the right quality on a consistent basis. Global Textile Networks truly believes that our customers confidence is our real growth therefore facilitates them through our guarantee of quality contract and post shipment inspections during different stages of productions

Quality Assurance

QUALITY CONTROL DEPARTMENT IS SOUL OF EVERY ORGANIZATION. TO US OUR CUSTOMER'S SATISFACTION IS MORE IMPORTANT THAN ANYTHING ELSE WHICH CAN ONLY BE EARNED IN THE SHAPE OF QUALITY ASSUARANCE.

- 1 Our Commitment to quality is "To Pay personal attention to each Shipment"
- 2 We believe that pay more attention for the best quality and develop more customers
- 3 In indenting business the most important part to retain a customer on long-term basis to understand individual customer's requirement and ensure that this quality level is maintained for consistence performance.
- 4 We are centralized in Lahore - Pakistan and work as Team and Bridge between our Suppliers & Buyers by ensuring that we are supplying good quality to our customers.
- 5 We provide Inspection Services to our customers from Pakistan but also from other countries as well
- 6 We intend to be right counterparts of our Customers' abroad and with the team of professional quality department we are also bringing down the complaint ratio to ZERO LEVEL.
- 7 Global Textile Networks quality team visits mills from time to time from the date of production till completion of contracts and shipments.
- 8 Our Quality Control Department takes as mention above measures before executing the final Inspection.
- 9 Detailed monthly plan is chalked out according to bookings for both Yarn / Fabrics.
