1. About Us

Işıkveren Textile is a leading clothing manufacturer based in Istanbul, Turkey providing premium-quality apparel to retailers in Europe and the Middle East. Our factories produce premium-quality denim and non-denim garments for both men and women.

Since our company's inception in 2012, innovation and quality have been at the core of our values. We strive to provide our customers with exceptional-quality products that evolve in lockstep with the fashion industry's latest trends.

Our two factories, located in the cities of Batman and Siirt, are comprised of over 240 employees and our expanding management team of 25 is located at our headquarters in Istanbul.

We work with retailers located in the Netherlands, Denmark, Italy and Israel. Our factories' current production averages 130,000 units per month with a daily production capacity of 6,000 units.
