## Our products and Services

Being a multi-disciplinary consultancy, FRANK SOURCING LIMITED offers a wide range of Apparel and fashion both clothing and leather, Engineering, Project Management and Information Technology products and services. These include:

We make 100% export oriented garments. Our company was established in 2019. But we have vast experience in the garments sector. Already we have set up a well-developed knit factory to start our journey. Near we will start our total project.

## PERFORMANCE ASSURANCE

We ensure quality goods as per Buyers requirements through our own experienced quality control team. And if the buyer wishes, the goods are also inspected by the Inspection Team.

## LAB TESTING

All garments are being tested for colour fastness, pilling, fibre composition etc. according to Buyers desire.

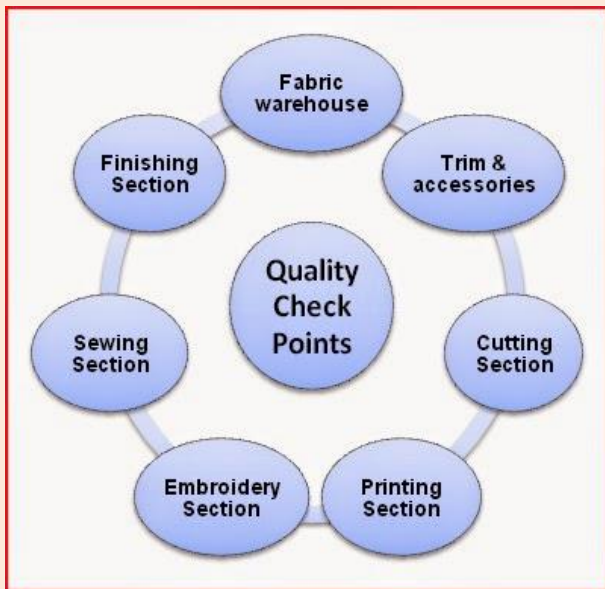

## QUALITY CONTROL PROCESS

We have a strong quality control system where under each Merchandiser there are three full-time QCs, and the QCs do the in-line inspections in each section of production. In a particular time of the day, our QA Supervisor checks 35% of the garments that have been passed by our QCs in each section. All the QCs always check 100% of the goods. All the QCs submit their daily reports to the QA Supervisor, highlighting the major points. The QA Supervisor submits their reports to the relevant Merchandisers in addition to the Managing Director. The relevant Merchandiser ensures the correct QA packing to the QA Supervisor. After maintaining the above procedures, the Merchandiser carries out his own final inspection before the shipment.

## We maintain:

- 100% Safety Record.
- 100% Delivery on Time.
- 100% Quality First Time
- 100% Commitment
- 100% Utilization of Resources.

## Production process:
