About Us

Global Textile Networks is a Textile Export-Based Service Firm that has been serving the industry since 1996. Our main focus is to solve customer problems and we do that by offering out of the box solutions. Our head office is situated in the beautiful city of Lahore, Pakistan. Meanwhile our partner offices are based in China, Bangladesh, India, and Turkey that assist us with delivering the best possible sourcing solutions according to our customer needs. We are partners to renowned manufacturers, brand and retailers in their sourcing processes.

We provide a complete end-to-end solution ranging from sourcing the yarns for manufacturers or developing products for distributors/retailers to merchandising and execution, quality control to shipment monitoring and compliance services. Our industry specific knowledge and technical expertise ensure our partner factories strictly comply with clients' requirements and international standards to deliver the quality they expect and demand.

Above all, we place great importance in the timely delivery of all our commitments so we could meet all your possible needs in a prompt and cost-efficient manner. It doesn't matter if you're looking for specialized yarns, different blends of fabrics or ready-made home textiles, Global Textile Networks is your go to company to partner with you in finding the best suppliers and manufacturers in the region.
