

Manufacturer and Exporter of Knitted & Woven Garments

www.primeexports.com.pk

INTRODUCTION

We are one of the leading Manufacturers and Exporters of 100% Polyester Garments. Prime Exports is going through a profound transformation globally and Prime Exports & its sister concern has emerged as a part of this transformation to supply quality polyester garments to the international markets at a competitive price to meet the demand of the buyers/customers who care about quality. The present set-up of PE & its sister concern was established in 2001 with the mission of achieving a higher standard of professionalism through consistency in quality, commitment, and service. Considering the huge demand for quality polyester garments around the globe, the manufacturing facilities have been designed to produce high-quality garments. We are well aware of global trends in the textile manufacturer, we have set up our system based on two objectives first to control our cost and second to offer the best possible prices to our valued buyers. Our Merchandising & Sourcing services is managed by professionals of the trade providing the best services in placement of orders, pricing according to the market trends, controlling and following up the status of running orders to monitor shipments in time etc.
