BASTEX

One Stop Solution for Sourcing of Apparels and Textiles

Bastex Consultancy Services Private limited is a burgeoning sourcing and solutions services company established in 2016 that offers customized business solutions to Clothing and Textiles sectors which include Fashion Retailing, Apparel manufacturing, Home-Textiles, Corporate-Textiles and related businesses and enterprises in India and abroad.

Bastex offers meticulous sourcing support services exclusively for Global Textile and Clothing industries and businesses and acts as a bridge between buyer and right supplier for the Global Apparel businesses and forms B2B market network. Bastex stands for Best Assured Services in Textile and Clothing sectors and strongly believe and adopt ethical business practices to have consistent business growth along with its associates.

Why Bastex?

One Stop Solution for Sourcing of Apparels and Textiles...

- Bastex paves the way for strategic sourcing of fashion apparels and clothing by finding the balance between quality and affordability considering lead-time.
- Bastex's team of experts who know the entire supply chain start from raw material make sourcing process easier with proper understanding of materials or products to be sourced from its own set-up and appropriate manufacturer and suppliers.
- Bastex takes the responsibility of sourcing thereby cutting costs incurred by the organizations who seek sourcing support.
