

## Who We Are:

**Duende International** is a distinguished **Garment Manufacturing Unit** situated in **Sialkot, Pakistan**. We are specializing in producing top-tier **Work Wear Products** with an unwavering focus on **Quality, Innovation & Customer Satisfaction**. Our commitment to excellence sets us apart as a leader in delivering work wear solutions tailored to industry needs.

Furthermore, as a country **Pakistan** is offering one of the cheapest raw materials globally and a low cost of doing business which allows us to offer better packages to our customers than our counterparts in the rest of the world hence, with a quick response time we provide extremely effective product offerings on both quality and prices to our customers, which is critical in the current environment.

## **Production Capacity:**

Duende International's manufacturing facility showcases the **250 + machines** that play a crucial role in crafting high-quality work wear products. This includes a variety of special machines like **Automatic Single/Double & Three Needle Machines, Automatic Waist Belt Machine, Automated Eyelet, Automatic Bartak Machine, Automatic Plastic and Steel Button Machine, Automatic cropping Machine, and many more.**

Duende International's comprehensive array of specialized and standard machines underscores our commitment to producing work wear products of the highest quality, durability, and functionality. These machines, operated by skilled artisans, ensure that each item leaving our facility meets the rigorous standards that define our brand.

## **Why Duende International:**

**Passion and Commitment:** At Duende International, our dedication to crafting the highest-quality products drives our every endeavor. We are committed to surpassing the expectations of our esteemed clients by consistently delivering work wear that epitomizes quality and durability.

**Quality Excellence:** Quality serves as the bedrock of our operations. Our rigorous quality control measures are meticulously implemented at each production stage to ensure that every product leaving our facility aligns with international standards of durability, comfort, and functionality. Our rigorous quality assurance processes assure customer satisfaction.

**Competitive Pricing:** Duende International offers a reliable source for quality work wear products at competitive prices. We comprehend the significance of providing cost-effective solutions without compromising quality, making us the preferred choice for businesses seeking affordable, high-caliber work wear.

**Customization and Versatility:** We acknowledge the significance of work wear as a representation of identity and professionalism. Our in-house customization and branding services empower clients to personalize their products with logos, names, and other pertinent details. This customization fosters team unity and reinforces brand identity.

**Client-Centric Approach:** Clients are at the heart of our operations. By listening attentively to their distinct requirements, we tailor our solutions to meet and exceed their expectations. Our unwavering commitment to delivering on-time and within specifications has fostered a loyal clientele.

Manufacturer & Exporter of Leather Products , Sportswear and fitness products
