

ABOUT US

Zetmed is a venture by Zetfly Online Services that provides essential Health Care supplies as per annexure 1 to Government, Private Hospitals and Armed Forces, Civil Administration, Police, NGOs, Airlines all working towards the requirement of these resources. We intend to make these supplies available to the healthcare system and frontline users through rightful sources at competitive price point.

Zetmed has also imported and is in process of importing essentials under to facilitate their supply. We are open for bulk orders and assure competitive costing for the same.

Zetfly Group is in business in multiple countries globally including South east Asia, Africa and India.
