# ABOUT FABRIC COLORS

how to choose fabric colors

you can choose your own fabric colors. Fabric samples are necessary to confirm color and quality fabrics.  
There are three ways to develop a new fabric color for your order.

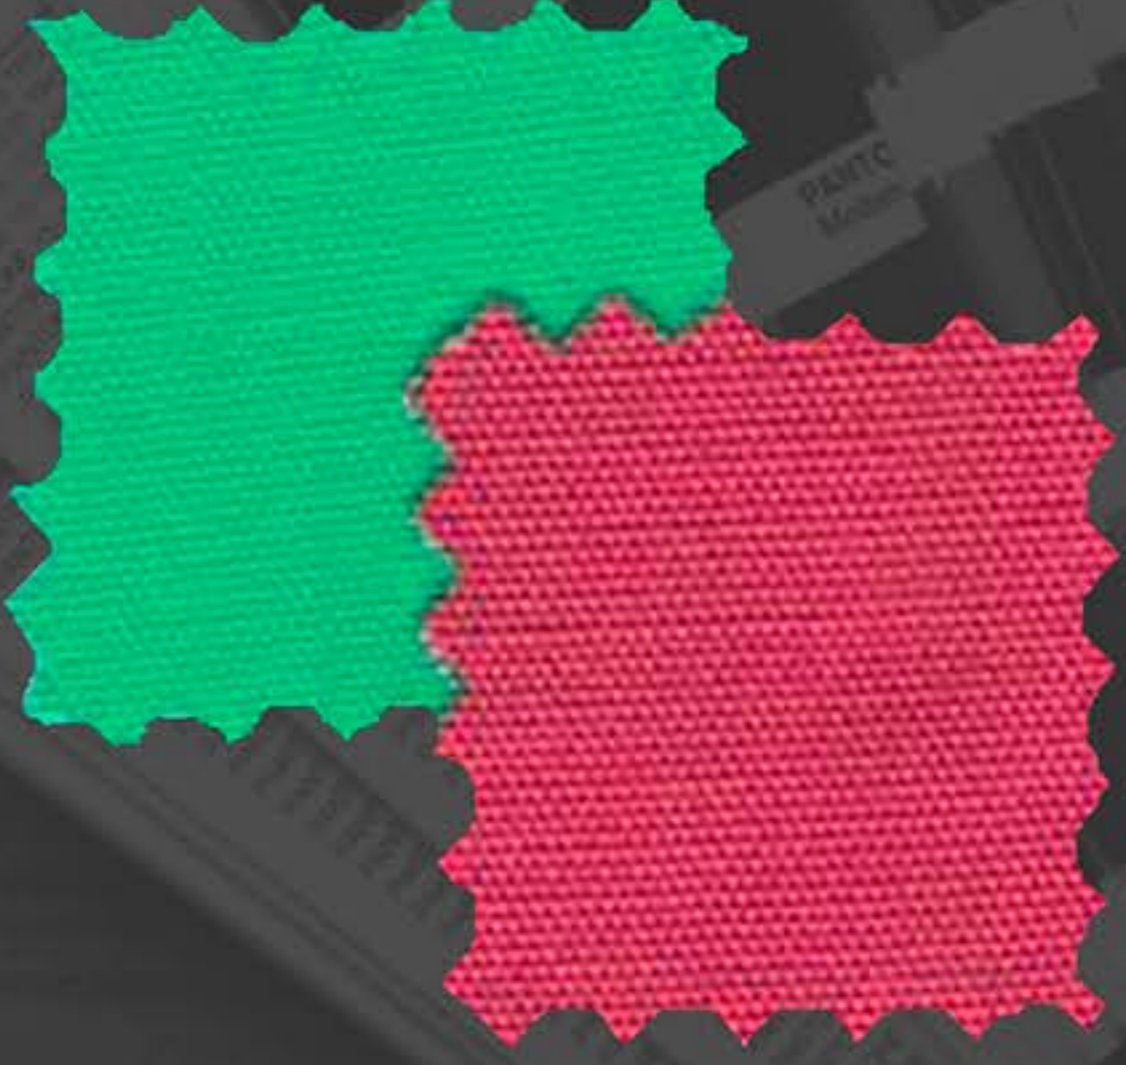

Send us your pantone codes  
to develop your lab dips.  
pantone codes: TPG TPX

A Pantone color chart showing a wide range of colors from blue to yellow, with the text "PANTONE FASHION COLOR SYSTEM" and "new colors" visible.

Send us your fabric color  
or your fabric sample to develop  
color, weight and quality

A red t-shirt with a graphic design that includes the text "I JUST WANNA Sip", a coffee cup icon, "Coffee", and "PET MY DACHSHUND".

Send us your fabric color  
or your fabric sample to develop  
color, weight and quality

Two fabric swatches: one green and one red, both showing a woven fabric texture.

*We don't recommend to use colors or codes from the monitor, because they normally aren't nearest to reality.  
be sure to use a pantone pallette.*

# ABOUT FABRICS COLORS

How to choose a pima fabric
