Our sourcing expertise and services fulfill or exceed brands and importers expectation interms of communication, price, quality, delivery and compliance We collaborate brands to create and co-create products. Thus, brands and importers are keeping faith on us.

About our story

Introduction

Mr. Parves A. Khan is a top apparel professional in the country and recognized by international brands. After completion of his MBA, he started working with top apparel manufacturers, sourcing offices, start ups and led marketing, sourcing and design team in local and international companies. He travelled a lot for design presentation, price negotiation, contributing brand development, visiting materials mills and so on. Capitalizing his experiences and track record in the industry, he started his own venture- Apparel Source International with market picked talents with a first order from Walmart Canada in 2015 to contribute more in fashion business.
